- Jeff shared that at the January 23, 2012, (7pm at district office) U-46 Board meeting the Activities Complex Committee will be doing a full presentation to the board. Please come and support your Bartlett High School Activities Complex.

**President's Report** – George Kantzavelos

- George suggested that it is time to have a spirit wear committee. Bill James said he would chair the committee. Karen Lewis said she would help. We will have a cabinet at the school to hold the spirit wear. A website will be created for ordering spirit wear. Boosters would like to have this up and running by July 2012. If you are interested in helping with the committee please contact Bill at [vicepresident@bhsboosters.org](mailto:vicepresident@bhsboosters.org)
- George suggested that the wall of fame currently located on the first floor by the bathrooms be moved closer to entrance, so that it is more noticeable to visitors.
- George also suggested that the first pillar be dedicated to the fallen service men of Bartlett High School.
- George and Dan will be reviewing the cost to rent the U-46 facilities for fundraisers with the Rich Romas U-46. The cost is taking a good portion of the fundraiser money. (Specifically they would like to review the upcoming dance competition and the Basketball tournament building rental costs.)
- George gave Lisa Wantroba the key to the concession stand.
- Volleyball (Mary Beth Harford) and Basketball (Lisa Wantroba) have been cleaning out the concession stand. George suggested to label items with boosters on it. Boosters would like to stock the concession stand and then share it across clubs. The last club to use the concession stand would be responsible for re-stocking. Sharing cleaning supplies is an excellent example of a shared supply. Currently the cabinets in the concession stand have no locks.

**Treasurers Report** –Dan Lewis

- Dan commented this year's membership is up from last year at this time. Currently we have over 129 Family members. Keep the memberships coming in?
- Dan completed the 2010 Income Tax. It was available for review at the meeting.

**Baseball –**

George reminded everyone that Baseball is having a Candlelight Bowl at Wheaton Bowl for January 14, 2012. Cost is \$30 per person. The money will go to support new Varsity and freshman uniforms. There are still openings if interested in a night of bowling fun contact Cary Wick.

**Basketball – Lisa Wantroba**

Lisa took a moment to explain how the Basketball “feeder” tournament works with the Bartlett Park District. The BPD takes in the fee’s to cover the administrative work, trophies and referees. We keep the money from the spectator’s entry fee and concessions. This year for Sunday we were running 7 gyms thanks to the good turnout. The bad news is we had to use BHS gyms and the districts charged us a fee. Once everything is paid for we anticipate our profits being down.

Senior night for the girls is 1/28/12 and Boys senior night is Feb 17<sup>th</sup>.

**Bowling – in need of a rep**

**Cheerleading – Nancy Fachie**

Nancy Fachie (cheerleading) motioned to allow cheerleading to spend \$750 for year-end banquet deposit. Ann Crawford (Girls Track) seconded the motion. The motion passed unanimously.

**Cross Country-Cheryl Rachford**

**Dance Team Kristie Bruneman**

Kristie shared that at the Batavia competition the team took first place in open poms and qualified for state.

Kristie shared that BHS Dance Team is hosting the TDI Dance Competition on January 29, 2012 TDI. There are 45 teams registered.

Dance will make their money off of the spectator entry fee \$8 adults and \$5 children, and concessions. The district is charging \$5,000 to \$6,000 for use of the facilities and janitor. Entry fee for the teams helps to cover the cost of the judges. Anyone interested in helping on that day please contact Kristie.
