The PTA is purchasing a painting and they are asking for us to supply the plaque at the bottom of the painting (approximate cost \$100-150. Also the Booster Club would like to present Dr. Hoy with a golf week-end. This gift would be presented at the Varsity Awards Banquet. The cost would not exceed \$500. Approved.

Silvia is asking for the Booster Club to pay for a pizza party and a shirt for the students who are volunteering to sell the apparel. Approved.

BHS will be hosting Relay for Life on June 8-9, 2001. It will begin at 6:00 P.M. It will be held on the BHS track. Silvia encouraged clubs and members to become part of a team or just help out in some way. Diane Longfield is the chairperson.

Weight Room – It has been requested for the Booster Club to pay \$500 for an inspection of the weight room by a state agency. This brought up many concerns about the state of equipment, etc. in the weight room. There seems to be a lot of abuse – Where is the accountability of keeping and maintaining this equipment. It is something that needs to be looked into. Frank Navarro stated that the donation for the weight equipment from the outside source seems to have dried up. The equipment that we have received from that company is probably all that we can expect. We will discuss with Dan what can be done or needs to be done about the upkeep of the weight room.

Meeting adjourned at 8:30 P.M.
