Old Business

- Len stated that we are still waiting for the invoice for the repair of the cooler.

New Business

- Len discussed that the main booster club needs a major fundraiser for the general club. We need to determine if there are any school projects to participate in. One option would be for the general club to take over the Dance “College Tuition” raffle. Whatever major fundraiser is selected this will require participation from all groups to be successful. We should also encourage all groups to increase membership. This has a direct benefit to the general club.
- The 2006/2007 membership lists will be updated shortly.

Bob Pastor motioned to adjourn the meeting. The motioned was seconded by Sue Mago and was approved unanimously. The meeting was adjourned at 7:38 PM.
